Objective

As a Mechatronics engineer, I am passionate about developing my interpersonal skills, and I am confident in my ability to communicate effectively with people from all walks of life. and I have developed a solid foundation in key business concepts such as mechanical, electrical, and programming. My coursework has prepared me to think critically, solve problems, and work effectively in a team environment. I am eager to apply my skills and knowledge to real-world business challenges and continue to learn and grow in my field.

Education

New Cairo Technology University

New Cairo

Started September 2022 -Expected June 2026

- Professional Bachelor of Technology
- Major: Mechatronics Technology
- GPA: 3.5

Experiences

Training at Arab Contractors Company (Osman Ahmed Osman)

Since 2024, from August to September

- Understanding the mechanical parts of any engine, whether diesel or gasoline
- Disassembling and assembling any mechanical engine
